Connection Prague - Olomouc

- The best way to travel from Prague to Olomouc is to take a train.
- The trains go nearly every hour, although some of them are a bit more expensive (IC, EC, SC - Pendolino).
- If you go with someone else (at least 2 people can make a group), ask for a "skupinova jizdenka" ("group ticket"), it is cheaper.
- The way takes about 3 hours.

Olomouc - bus/tram tickets

- There are ticket machines at the stations and at the most of the stops, too.
- Buy the one valid for 40 min: 12,- CZK
- Bus and tram drivers also sell tickets (they are little more expensive and they except only coins)
